Please answer the following questions on a separate sheet of paper. TYPED! Do not send it to us electronically. If you don't have ink for you printer....get some

1. What does it mean to "design" something for the theatre? Give examples.
2. What qualities will you bring to this production?
3. Using the show you have in which you have indicated interest, create a photo morgue for some design ideas. Time, place, mood. Be able to justify and explain your morgue to the directors. (Because it looks cool is a perfectly acceptable answer)

I understand if picked as the student designer I will possibly need to meet with the directors and technical director during the summer to discuss my design and to show design progress. Dates for meetings will be determined by director, technical director student director, and stage management.

Parents: I understand that if my student is chosen for one of the student designer positions that they are required to be at all rehearsals, pre-production meetings and performances. There may be late nights running up to any and all productions. They may also be required to attend the State Thespian Festival in December.
