

PRINCETON

Great!

KATE MONSTER

I'll be back in a sec!

GIRL BEAR

But this time, Kate, let's get larges!

KATE MONSTER

*(A little drunk.)*

Ooooooh-kay!

BOY BEAR

Hey, how's the date going, huh?

PRINCETON

Pretty well, I think --

GIRL BEAR

Now hang in there, little man, you're gonna get lucky tonight if you keep working at it!

BOY BEAR

Keep your eye on the prize! -- Oh wow! Look who's coming!

#9c - Lucy's Music

*Lucy comes over.*

Start

LUCY

What's up.

PRINCETON

Hi, I'm Princeton.

LUCY

Lucy. Man, am I beat. I still haven't figured out where I'm gonna crash tonight.

KATE MONSTER

*(rushing over)*

The drinks will be right over, Princeton!

*(to Lucy)*

Oh, why hel-lo!

LUCY

I'll have a scotch on the rocks.

**KATE MONSTER**

(to Princeton)

**PRINCETON**

Be you to meet Kate Monster?

**LUCY**

I'm not dating a Monster. I dated a Monster once. But I got sick of getting all my clothes

**KATE MONSTER**

used to beat you were wearing any clothes

**PRINCETON**

(picking them up)

It was nice talking to you, Lucy!

**LUCY**

Don't mess with your Monster. But when you're ready for a real woman, you know how to find me

(to Princeton)

**PRINCETON**

Hi Kate, I'm sorry

**KATE MONSTER**

I understand.

(to Princeton)

She's irresistible, is all

**PRINCETON**

Well, she just knows she can't compare to you

**KATE MONSTER**

*end*

Thank you're wonderful, Princeton.

(a moment as their eyes meet, and they shyly look away.)

**BOY BEAR**

Now's your chance! Kiss her!

**GIRL BEAR**

Suck her the tongue!

**PRINCETON**

Would you guys cut that out?

(to Kate)

Kate -

...keep talking at it

...last night
